

Life after life...

Near death experiences,
a sign from Heaven that
opens us to
the invisible life

From Monday 3 to Monday 10 November 2025

MEDJUGORJE, BOSNIA & HERZEGOVINA

WHO IS IT FOR ?

For all, like all “Maranatha-Conversion” meetings, but perhaps especially, for those who :

- Are wondering what is there after death, why are we born and then die, where is the meaning of life then ?
- Are curious to learn more about « near death » experiences (NDEs)
- Are unable to grieve the loss of a loved one.
- Want to understand what it means to pray for souls in Purgatory.
- Want to understand why one should not seek to connect with the souls of the departed.
- Are attracted to the supernatural.
- Seek to enter the mystery of the Unseen.

SPEAKERS :

We will have the opportunity to hear teachings and reflections from specialists on various aspects of IMEs but also from theologians. We will also have the testimony of people who have themselves experienced IMEs; they will tell us what impact these experiences have had on their personal lives. We will pray for the souls in Purgatory...

Contemporary witnesses/mystics - the visionaries of Medjugorje, depending on their availability - will share with us what they live, the beauty of their experience, but also the suffering of not always being understood, neither by their loved ones, nor by certain members of the Church, who express doubts about the reality of their experiences.

Let us note that the visionary Ivanka was thus able to meet and exchange several times with her mother who died two months before the beginning of the apparitions in June 1981 and that the visionary Marija received as her main prayer intention to pray for the souls in Purgatory.

" The Holy Council commits at the same time all the sons of the Church to make a great deal of the practices and exercises of piety towards her, which the Magisterium has recommended over the centuries [...]. May the faithful remember that a true devotion does not consist in a sterile and ephemeral movement of sensibility, any more than in vain credulity, true devotion proceeds from the true faith, which leads us to recognize the eminent dignity of the Mother of God, and impels us to to love this Mother with a filial love, and to pursue the imitation of Her virtues ".

(Vatican II, Lumen Gentium § 67)

*Lord, give me the intelligence to love,

If all together we start,
if we refuse to confess defeated in advance,
if we decide that from now on
we will become partners of Heaven for a better world,
everything will be possible.

Nothing is impossible to God and God hears our prayers.
If we are many, if our hearts are united in the same process of prayer and fasting with the intentions of peace, the healing of humanity and the heart of man,
if we humbly put our lives in the hands of the Lord,
we can be sure that God will hear us,
that God will answer us...

In Pontmain, France, in 1871, Our Lady said :

**“Oh ! Do pray, my children. God will answer you very soon.
My Son lets His Heart be touched !”**
